Project Use Case & Deployment Confirmation Certificate

This is to formally acknowledge that the following student(s) from K.R. Mangalam University have successfully undertaken and completed an industry-based project under our mentorship, in alignment with the stated objectives and requirements of our organization.

Project Details:

- **Project Title:** DIGITAL CANTEEN MANAGEMENT SYSTEM

- **Domain/Technology Used:** HTML,REACT,NODE JS,MONGO DB,EXPRESS JS,JWT AUTHENTICATION,

- **Industry Use Case / Business Problem Addressed:**

  In traditional college canteens, students and staff face several challenges, including long queues, cash dependency, order mismanagement, and inefficient inventory control. Manual processes often lead to delays, miscommunication, and revenue loss, impacting both customer satisfaction and canteen operations.

- **Expected Outcome/Utility of the Project in Our Organization:**

a) **Efficient Canteen Management:** Faster order processing, reduced wait times, and smoother operations.

b) **User Convenience:** Cashless payments, real-time tracking, and an intuitive ordering system.

c) **Error Reduction:** Minimized order mismanagement and improved communication between users and staff.

d) **Deliverables:** A fully functional **digital canteen system**, including a working web application prototype with real-time features and payment integration.
